

Exception

```
graph BT; A[system.BadFormatException] --> B[Exception];
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin gray border containing the text "Exception". Below it is a gray rectangular box with a thick black border containing the text "system.BadFormatException". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "system.BadFormatException" inherits from "Exception".

system.BadFormatException
